Authorization AGREEMENT

I authorize the Maui County Department of Water Supply to initiate entries to my account at the financial institution named on the ABP Authorization Form. I further authorize that financial institution to charge my checking or savings account to pay the water and sewer bill.

The information I provide is confidential and will be used for Department of Water Supply Automatic Bill Payments only.

I understand that this authorization will remain in effect until terminated either by myself in writing to the Maui Department of Water Supply at least ten (10) working days before the bill is mailed, or by the Maui Department of Water Supply, should two (2) payments be returned.

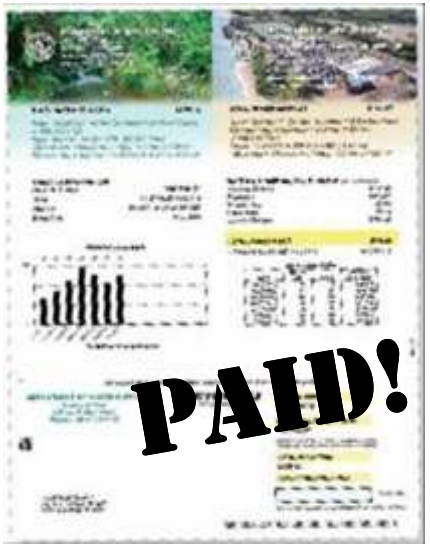
Pay your water bill automatically!



The Maui County Department of Water Supply invites you to select an easy way to pay your water and sewer bill with our Automatic Bill Payment (ABP) service. Your participating bank, savings and loan, or credit union can pay your water and sewer bill by deducting the amount due automatically from your financial account. Save on writing checks, stamps, and envelopes. Please fill in the attached authorization form and leave your water and sewer bill payments to ABP.

What happens when I sign up for an Automatic Bill Payment?

You will authorize your financial institution to automatically deduct the amount due for your water and sewer bill.

When will the Financial Institution deduct the amount from my account?

Deductions will be made ten (10) days after your water bill is mailed, giving you enough time to review the bill and call the Maui Department of Water Supply if you have any questions concerning your bill.

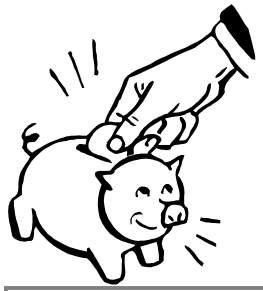
How much does the ABP service cost?

It's free!

Can I stop payment at any time?

You may stop your automatic bill payment by calling the Maui Department of Water Supply ten (10) business days before the payment is scheduled to be made.

What happens if there are insufficient funds in my account?



The returned payment will be subject to established charges for a returned check. If two (2) payments are returned, your Automatic Bill Payment will be terminated.

Call the Department of Water Supply at 270-7730 extension 3 if you have questions about Automatic Bill Payment.
